

COLOSSIANS: STICKING WITH JESUS

STARTING THE YEAR RIGHT

#1 Avoid Spiritual Hazards

Colossians 2:16-23

Paul wants Christians to grow in their faith, but there are certain hazards to avoid if you do not want to ruin your faith.

1. God's favor is not found by following _____ and superstitions (Colossians 2:16-17).

-- It is found by following Jesus.

2. One's relationship with God is not based on _____ (Colossians 2:18-19).

-- It is based on our connection with Jesus and truth.

3. Being _____ cannot save you—you've already blown it (Colossians 2:20-23).

-- Only Jesus can save you.

Jesus is the Real Deal—Everything else will let you down.
